INTRODUCING NEW AUSTSWIM PROFESSIONAL DEVELOPMENT

At AUSTSWIM, we know child safety isn't optional – it's essential. That's why we've developed a new safeguarding course, co-designed with our expert advisor Phil Doorgachurn, to equip swim teachers, pool operators and aquatic professionals with the knowledge and confidence to uphold the highest standards of safeguarding children and young people.

This vital training explores child abuse statistics in Australia, the 10 National Principles for Child Safe Organisations, and covers the 5 R's of safeguarding – Recognise, Respond, Report, Record, Reflect.

Whether you're new to safeguarding or refreshing your knowledge, this course is critical for every swim teacher and swim school committed to creating safe aquatic environments.

Australian only initiative

In Australia we're proud to have recently launched our new AUSTSWIM Swim School Network to connect and reward swim schools around the nation.

The network provides members with benefits, credibility and recognition for swim schools aligned with our mission to provide quality and lifelong aquatic education.

*The Swim School Network is currently an Australian only program.

What are the benefits of Joining:

-  National recognition
-  Staff training discounts
-  Swim School Network badge
-  Swim School Finder listing
-  Access to webinars and priority support

Advocating for quality

Building connections

Shaping the future

At AUSTSWIM, we believe quality swimming teachers save lives – and driven by this belief we're committed to working with the broader aquatics industry for drowning prevention. We've been out and about in recent months doing exactly this.

Recent Highlights

- ARV Regional Conference (Ballarat/Bendigo, June) - Our industry leads Courtney Anderson and Michaela Waaka represented AUSTSWIM at this event as well as the LSV Inland Waterways Forum (Shepparton, July).
- Queensland Water Safety and Aquatic Collaborative (QWSAC) (Brisbane, June) - Our General Manager Georgie Nichol MC'd this collaboration (pictured below) was joined by our Head of Operations Samantha Tantum and Head of Training and Development Julia Wood.
- National Water Safety Summit (Sydney, July) – Georgie Nichol joined a panel of industry leaders to discuss the importance of aquatic facilities, and facilitated a workforce and education workshop. Sam Tantum presented on safeguarding leadership in the aquatics industry. Our CEO Brad Maunsell and Julia also capably represented AUSTSWIM at this important event.
